

- 1) The term of the Lease is hereby extended for a ten (10) year period commencing on August 1, 2011 through and including July 31, 2021 (the "Extended Term"), subject to the Government's right to terminate the Lease pursuant to Section 6 herein.
- 2) During the Extended Term, the Government shall pay the Lessor annual rental ("Rent"), in equal monthly installments, in arrears, as follows:
  - a. For the period beginning on August 1, 2011 through and including July 31, 2016, Government shall pay (i) \$42.00 per rentable square foot, plus \$3.00 per rentable square foot for Government electric, for the 14<sup>th</sup> Floor Space; (ii) \$32.00 per rentable square foot, plus \$1.00 per rentable square foot for Government electric, for the (b) (5), (b) (7)(F)
  - b. For the period beginning on August 1, 2016 through and including July 31, 2021, Government shall pay (i) \$51.20 per rentable square foot, plus \$3.66 per rentable square foot for Government electric, for the 14<sup>th</sup> Floor Space; (ii) \$39.00 per rentable square foot, plus \$1.22 per rentable square foot for Government electric, for the (b) (5), (b) (7)(F)

Rent for a lesser period shall be prorated, based on the actual number of months and the actual number of days of any partial month.

- 3) As of the commencement of the Extended Term, Government shall pay:
  - a. Tax adjustments, pursuant to paragraph 15 herein, provided that (i) the Tax Base Year shall be the real estate taxes for the fiscal year July 1, 2010 through June 30, 2011 and (ii) Government's Percentage of Occupancy shall be 4.05%; and
  - b. Operating cost adjustments, pursuant to Section 35 of Attachment 1, Supplemental Lease Requirements to the Original Lease, except that (i) in determining the percentage change in the Cost of Living Index, the index published for July 2011 shall be compared with the index published for each July thereafter and (ii) the Base Operating Cost shall be (b) (4)
  - c. An operating cost adjustment to the Rent shall be performed commencing with the second year of the Extended Term and shall be performed for each year thereafter, including year 6 where there is an increase in Rent (pursuant to Paragraph 2b herein).

- 4) As of the date hereof, Rent and any other additional charges payable under this Agreement and the Lease shall be paid to:

(b) (4)

Upon written notice by Lessor to Government of a mere change in the mailing address or wiring instructions for which Rent is to be sent or wired (without changing the payee), Government shall thereafter forward all rent to such new address (except to the extent that Section 24 of Attachment No. 1, Supplemental Lease Requirements to the Original Lease or Paragraph No. 25 of the General Clauses attached to the Original Lease are applicable).

- 5) Lessor agrees to provide the Government with a work contribution (the "Work Contribution") in the amount of \$81,000.00, which the Government intends to use, in part, towards the installation of a full-floor supplemental HVAC unit for the 14th Floor Space. The Work Contribution may be used prior to the commencement of the Extended Term and shall be applied to any and all costs incurred or expended in connection with the installation of such HVAC (and any additional work for which the Work Contribution is to be used toward).

(b) (4)

At the Government's request, Lessor shall provide a minimum of three (3) qualified bids for the proposed HVAC installation work and shall be responsible for hiring a reputable contractor and/or contractors to perform the installation and work. Bid proposals shall be provided by Lessor to the Government no later than sixty (60) days following the full execution and delivery to Lessor of this Agreement for Government review and approval purposes. If the total cost and expense of the HVAC work (and/or any additional work) shall exceed the Work Contribution, the Government shall be entirely responsible for such excess costs (a separate supplemental lease agreement will be prepared in connection with such reimbursement to the Lessor for any costs and expenses that are in excess of the Work Contribution). Lessor and Lessor's contractor(s) shall schedule and complete the HVAC project within ninety (90) calendar days after approval to proceed is received from the Government's Contracting Officer (the work schedule is subject to the Government reasonable approval) and the delivery of the equipment, subject to delays caused by the Government or events of force majeure. Any other work requested by the Government shall be completed within a period to be mutually agreed to between the parties.

- 6) The Government may terminate this Lease effective at the end of the third (3<sup>rd</sup>), sixth (6<sup>th</sup>) or eighth (8<sup>th</sup>) years of the Extended Term (i.e., July 31, 2014, July 31, 2017 and July 31, 2019, respectively) by giving notice, in writing, to the Lessor at least one hundred eighty (180) days prior to the end of the third (3<sup>rd</sup>), sixth (6<sup>th</sup>) or eighth (8<sup>th</sup>) years of the Extended Term (i.e., by February 1, 2014, February 1, 2017 and February 1, 2019, respectively). (b) (4)

(b) (4)

All termination notices shall be delivered in accordance with Section 14 herein. The term "incapacity", as used herein, shall mean any permanent injury or illness that would render former President Clinton unable to perform basic tasks and functions due to a lack of intellectual or physical power and requiring permanent hospitalization, hospice or home care.

If the Government elects to terminate this Lease as set forth in this Section 6, the Government shall pay the Lessor the then unamortized portion of the (i) Work Contribution, as described in Section 5 herein and (ii) brokerage commission paid by the Lessor in connection with this Agreement. For the purpose of calculating the unamortized portion of the Work Contribution and broker commissions, the total amount of Work Contribution and brokerage commission paid, amortized over ten (10) years, compounded at 6.5% interest per annum, shall be used.

- 7) As of the date hereof, Section 37 of the Rider to the Original Lease shall be stricken in its entirety and replaced as follows:

- A. Government and Lessor hereby acknowledge that each party has entered into this Agreement with the expectation that either party may qualify for (or has qualified) and receive (or has received), as applicable and as the case may be, certain benefits in connection with the following programs: (collectively, the "Incentive Programs"): (i) Title 4 of Article 4 of the New York Real Property Tax Law (herein called the "Commercial Revitalization Program"); (ii) the Industrial and Commercial Incentive Program or Industrial and Commercial Abatement Program (collectively, the "ICIP"); (iii) the Lower Manhattan Energy Program ("LMEP"); and (iv) any other similar or dissimilar programs for which either Lessor or Government or all or any portion of the Building may qualify (or has qualified) at any time or times during the Term or Extended Term. Lessor and Government hereby agree to provide each other with such cooperation as may reasonably be requested by the other party (collectively, "Incentive Cooperation") to assist said party in obtaining and/or retaining any incentives, abatements, exemptions, subsidies, energy discounts, refunds or payments that may be available to said party in connection with the Incentive Programs with respect to the Building or any portion thereof, including, without limitation, the Premises (collectively, "Incentives" or "Incentive").
- B. Government acknowledges that Lessor has made no warranty or representation as to the extent, if any, that Lessor or Government qualifies or benefits or will benefit from any of the Incentive Programs. In the event that either: (x) Lessor or Government fails to qualify (in whole or in part) for any of such Incentive Programs, (y) Lessor or Government is subsequently disqualified in whole or in part for any of such Incentive Programs and/or (z) the amount of benefits

Lessor

available to Lessor or Government under such Incentive Programs becomes reduced, unfounded or otherwise unavailable to Lessor or Government, then, in any case, Lessor shall have no liability to Government and Government's obligations under this Lease shall not be reduced, excused or otherwise affected.

C. In accordance with the Commercial Revitalization Program, Lessor hereby informs Government that:

- (i) Government's percentage of occupancy shall mean and be 4.05%;
- (ii) An application for abatement of real property taxes pursuant to Title 4 of Article 4 of the New York Real Property Tax Law will be made for the Premises;
- (iii) To qualify for the Commercial Revitalization Plan, at least \$5, \$10 or \$35 per square foot must be spent on improvements to the Premises and the common areas, the amount being dependant on the length of this Lease and the number of Government employees; and
- (iv) All abatements granted will be revoked if, during the benefit period, real estate taxes, water or sewer charges or other lienable charges are unpaid for more than one year, unless such delinquent amounts are paid, as provided for in the relevant law.

D. Notwithstanding anything herein to the contrary, it is understood and agreed that, although the real estate taxes for the Building may be subject to certain refunds, credits, abatements, deferrals or exemptions under any applicable Incentive Programs, Government shall pay throughout the Term and Extended Term its percentage of any increase in real estate taxes as provided for in the Lease and this Agreement, without taking any such refunds, credits, abatements, deferrals or exemptions for either the base tax year or subsequent years into consideration (except with respect to a tax appeal by Lessor, as may be provided for in this Lease). Notwithstanding the foregoing, Landlord will (i) separately credit to Tenant any benefit Tenant is specifically entitled to pursuant to the Real Property Tax Abatement under the Commercial Revitalization Program and (ii) include the ICIP benefit received by the Building as part of the Real Estate Taxes in the Tax Base Year and in the calculation of the Tax Adjustment in each subsequent year, to the extent received. For example purposes only; if prior NYC fiscal year 2008/09 was to be used as the new base real estate tax year for the term covered under this SLA No. 4 to the Lease, and if NYC fiscal tax year 2009/10 was considered to be the first year of the lease for the purposes of paying a real estate tax adjustment, then the base real estate taxes and the real estate taxes for the first year of the lease would have been calculated as follows:

  - 9) Paragraph No. 21 of the Rider to the Original Lease is hereby stricken in its entirety and replaced as follows, as of the date hereof: If the Government requires heating or air-conditioning beyond the normal hours of Building operations as set forth in Attachment 1, Supplemental Lease Requirements of the Original Lease, then, at the request of the Government, to be delivered to the Lessor before 10:00 a.m. on the date which is at least one (1) business day preceding such use, it shall be provided by the Lessor at an hourly rate of \$300.00. The Government's request for overtime heating or cooling services will be ordered orally or in writing by the Contracting Officer or the GSA Building Manager to the Lessor's Building Manager's office (presently Wayne Gordon [or other such Lessor designee]) at (212) 987-2315.
  - 10) The Lessor shall be required to maintain and repair all items furnished and installed as part of this Agreement, as may be applicable, in accordance with the provisions of the Lease and as if such items were installed as part of the initial space alterations to the Premises.
  - 11) Government hereby accepts the Premises in its "as is" condition (excluding all building systems servicing the Government's Premises as well as any service, maintenance, replacement of warranty-type items covered under the Lease), and further, except that Lessor shall, at its own cost and expense, (i) furnish and install electric vertical blinds to the interior conference room windows, and (ii) to the extent not already completed as of the date hereof, refurbish/refinish existing office woodwork, including the main reception desk, the wood paneling behind the main reception desk, two (2) cabinets and one (1) credenza in the private entrance area, the wood radiator covers, all woodwork in President Clinton's executive office area and all woodwork in the conference room, including the wood door, the wood paneling and the wood conference table..

A. Purpose:

Tax Adjustments shall be calculated in accordance with this Clause.

Lessor 

Government 

B. Definitions:

The following definitions apply to the use of capitalized terms within this paragraph:

1. "Property" is the land, buildings and other improvements of which the premises (as fully described in the U.S. Government Lease for Real Property, SF2) form all or a part.
2. "Real Estate Taxes" are those taxes that are levied upon the owners of real property by a Taxing Authority (as hereinafter defined) of a State or local Government on an ad valorem basis to raise general revenue for funding the provision of government services. The term excludes, without limitation, special assessments for specific purposes (except that assessments for business improvement districts are included), and/or community development assessments.
3. "Taxing Authority" is a State, Commonwealth, Territory, County, City, Parish, or political subdivision thereof, authorized by law to levy, assess, and collect Real Estate Taxes.
4. "Tax Year" refers to the 12-month period adopted by a Taxing Authority as its fiscal year for the purpose of assessing Real Estate Taxes on an annual basis.
5. "Tax Abatement" is an authorized reduction in the Lessor's liability for Real Estate Taxes below that determined by applying the generally applicable Real Estate Tax rate to the Fully Assessed (as hereinafter defined) valuation of the Property.
6. "Unadjusted Real Estate Taxes" are the full amount of Real Estate Taxes that would be assessed for the Property for one full Tax Year without regard to the Lessor's entitlement to any Tax Abatements (except if such Tax Abatement came into effect after the date of award of the Lease), and not including any late charges, interest or penalties. If a Tax Abatement comes into effect after the date of award of the Lease, "Unadjusted Real Estate Taxes" are the full amount of Real Estate Taxes assessed for the Property for one full Tax Year, less the amount of such Tax Abatement, and not including any late charges, interest or penalties.
7. "Real Estate Tax Base" is the Unadjusted Real Estate Taxes for the first full Tax Year following the commencement of the Lease term. If the Real Estate Taxes for that Tax Year are not based upon a Full Assessment of the Property, then the Real Estate Tax Base shall be the Unadjusted Real Estate Taxes for the Property for the first full Tax Year for which the Real Estate Taxes are based upon a Full Assessment. Such first full Tax Year may be hereinafter referred to as the "Tax Base Year." Alternatively, the Real Estate Tax Base may be an amount negotiated by the parties that reflects an agreed upon base for a Fully Assessed value of the property. The Tax Base Year is set forth in Section 3(a) herein.
8. The Property is deemed to be "Fully Assessed" (and Real Estate Taxes are deemed to be based on a "Full Assessment") only when a Taxing Authority has, for the purpose of determining the Lessor's liability for Real Estate Taxes, determined a value for the Property taking into account the value of all improvements contemplated for the Property pursuant to the Lease, and issued to

(8)

Lessor

Government

the Lessor a tax bill or other notice of levy wherein the Real Estate Taxes for the full Tax Year are based upon such Full Assessment. At no time prior to the issuance of such a bill or notice shall the Property be deemed Fully Assessed.

9. "Percentage of Occupancy" refers to that portion of the Property exclusively occupied or used by the Government pursuant to the Lease. For buildings, the Percentage of Occupancy is determined by calculating the ratio of the rentable square feet occupied by the Government pursuant to the Lease to the total rentable square feet in the building or buildings so occupied, and shall not take into account the Government's ancillary rights including, but not limited to, parking or roof space for antennas (unless facilities for such ancillary rights are separately assessed). This percentage shall be subject to adjustment to take into account increases or decreases in the amount of space leased by the Government or in the amount of rentable space on the Property. The Percentage of Occupancy is set forth in Section 3(a) herein.

C. Adjustment for Changes in Real Estate Taxes:

1. After the Property is Fully Assessed, the Government shall pay its share of any increases and shall receive its share of any decreases in the Real Estate Taxes for the Property, such share of increases or decreases to be referred to herein as "Tax Adjustment." The amount of the Tax Adjustment shall be determined by multiplying the Government's Percentage of Occupancy by the difference between the current year Unadjusted Real Estate Taxes and the Real Estate Tax Base, less the portion of such difference not paid due to a Tax Abatement (except if a Tax Abatement comes into effect after the date of award of the Lease). If a Tax Abatement comes into effect after the date of award of the Lease, the amount of the Tax Adjustment shall be determined by multiplying the Government's Percentage of Occupancy by the difference between the current year Unadjusted Real Estate Taxes and the Real Estate Tax Base. The Government shall pay the Tax Adjustment in a single annual lump sum payment to the Lessor. In the event that this Tax Adjustment results in a credit owed to the Government, the Government may elect to receive payment in the form of a rental credit or lump sum payment.

2. If the Property contains more than one separately assessed parcel, then more than one Tax Adjustment shall be determined based upon the Percentage of Occupancy, Real Estate Tax Base, and Real Estate Taxes for each respective parcel.

3. After commencement of the Lease term, the Lessor shall provide to the Contracting Officer copies of all Real Estate Tax bills for the Property, all documentation of Tax Abatements, credits, or refunds, if any, and all notices which may affect the assessed valuation of the Property, for the Tax Year prior to the commencement of the Lease Term, and all such documentation for every year following. Lessor acknowledges that the Contracting Officer shall rely on the completeness and accuracy of these submissions in order to establish the Real Estate Tax Base and to determine Tax Adjustments. The Contracting Officer may memorialize the establishment of the Real Estate Tax Base by issuing a unilateral administrative Supplemental Lease Agreement indicating the Base Year, the amount of the Real Estate Tax Base, and the Government's Percentage of Occupancy.

9

Lessor AT  
Government [Signature]

4. The Real Estate Tax Base is subject to adjustment when increases or decreases to Real Estate Taxes in any Tax Year are attributable to a) improvements or renovations to the Property not required by this Lease, or b) changes in net operating income for the Property not derived from this Lease. If either condition results in a change to the Real Estate Taxes, the Contracting Officer may re-establish the Real Estate Tax Base as the Unadjusted Real Estate Taxes for the Tax Year the Property is reassessed under such condition, less the amount by which the Unadjusted Real Estate Taxes for the Tax Year prior to reassessment exceeds the prior Real Estate Tax Base.

5. If this Lease includes any options to renew the term of the Lease, or be otherwise extended, the Real Estate Tax Base for the purpose of determining Tax Adjustments during the renewal term or extension shall be the last Real Estate Tax Base established during the base term of the Lease.

6. If any Real Estate Taxes for the Property are retroactively reduced by a Taxing Authority during the term of the Lease, the Government shall be entitled to a proportional share of any tax refunds to which the Lessor is entitled, calculated in accordance with this Clause.

7. Lessor acknowledges that it has an affirmative duty to disclose to the Government any decreases in the Real Estate Taxes paid for the Property during the term of the Lease. Lessor shall annually provide to the Contracting Officer all relevant tax records for determining whether a Tax Adjustment is due, irrespective of whether it seeks an adjustment in any Tax Year.

8. If the Lease terminates before the end of a Tax Year, or if rent has been suspended, payment for the Real Estate Tax increase due as a result of this section for the Tax Year will be prorated based on the number of days that the Lease and the rent were in effect. Any credit due the Government after the expiration or earlier termination of the Lease shall be made by a lump sum payment to the Government or as a rental credit to any succeeding lease, as determined in the Contracting Officer's sole discretion. Lessor shall remit any lump sum payment to the Government within 15 calendar days of payment or credit by the Taxing Authority to Lessor or Lessor's designee. If the credit due to the Government is not paid by the due date, interest shall accrue on the late payment at the rate established by the Secretary of the Treasury under Section 12 of the Contract Disputes Act of 1978, as amended (41 USC § 611), that is in effect on the day after the due date. The interest penalty shall accrue daily on the amount of the credit and shall be compounded in 30-day increments inclusive from the first day after the due date through the payment date. The Government shall have the right to pursue the outstanding balance of any tax credit using all such collection methods as are available to the United States to collect debts. Such collection rights shall survive the expiration of this Lease.

9. In order to obtain a Tax Adjustment, the Lessor shall furnish the Contracting Officer with copies of all paid tax receipts, or other similar evidence of payment acceptable to the Contracting Officer, and a proper invoice (as described in GSA Form 3517, General Clauses, 552.232-75, Prompt Payment) for the requested Tax Adjustment, including the calculation thereof. All such documents must be received by the Contracting Officer within 90 calendar days after the last date the Real Estate Tax payment is due from the Lessor to the Taxing Authority without payment of penalty or interest. FAILURE TO SUBMIT

Lessor 

Government 

THE PROPER INVOICE AND EVIDENCE OF PAYMENT WITHIN SUCH TIME FRAME SHALL CONSTITUTE A WAIVER OF THE LESSOR'S RIGHT TO RECEIVE A TAX ADJUSTMENT PURSUANT TO THIS CLAUSE FOR THE TAX YEAR AFFECTED.

D. Tax Appeals:

If the Government occupies more than 50% of the Building by virtue of this and any other Government lease(s), the Government may, upon reasonable notice, direct the Lessor to initiate a tax appeal, or the Government may elect to contest the assessed valuation on its own behalf or jointly on behalf of Government and the Lessor. If the Government elects to contest the assessed valuation on its own behalf or on behalf of the Government and the Lessor, the Lessor shall cooperate fully with this effort, including, without limitation, furnishing to the Government information necessary to contest the assessed valuation in accordance with the filing requirements of the Taxing Authority, executing documents, providing documentary and testimonial evidence, and verifying the accuracy and completeness of records. If the Lessor initiates an appeal at the direction of the Government, the Government shall have the right to approve the selection of counsel who shall represent the Lessor with regard to such appeal, which approval shall not be unreasonably withheld, conditioned or delayed, and the Lessor shall be entitled to a credit in the amount of its reasonable expenses in pursuing the appeal.

- 16) The General Clauses contained in Attachment "A" to this SLA No. 4 represent either new or updated General Clauses to supplement or replace those already included as part of the original Lease. In the event of any discrepancies between the General Clauses contained in the original Lease and those contained in Attachment "A" to this SLA No. 4, the new or updated General Clauses contained in this SLA No. 4 shall govern. However, all General Clauses from the original Lease shall remain in full force and effect during the lease extension term covered under this SLA No. 4 unless they have been superseded by any updated General Clauses contained in Attachment "A" to this SLA No. 4.

~~2. 552.270-5 SUBLETTING AND ASSIGNMENT (SEP 1999)~~

The Government may sublet any part of the premises but shall not be relieved from any obligations under this lease by reason of any such subletting. The Government may at any time assign this lease, and be relieved from all obligations to Lessor under this lease excepting only unpaid rent and other liabilities, if any, that have accrued to the date of said assignment. Any assignment shall be subject to prior written consent of Lessor, which shall not be unreasonably withheld.

3. 552.270-11 SUCCESSORS BOUND (SEP 1999)

This lease shall bind, and inure to the benefit of, the parties and their respective heirs, executors, administrators, successors, and assigns.

4. 552.270-23 SUBORDINATION, NONDISTURBANCE AND ATTORNMEN (SEP 1999)

- (a) Lessor warrants that it holds such title to or other interest in the premises and other property as is necessary to the Government's access to the premises and full use and enjoyment thereof in accordance with the provisions of this lease. Government agrees, in consideration of the warranties and conditions set forth in this clause, that this lease is subject and subordinate to any and all recorded mortgages, deeds of trust, and other liens now or hereafter existing or imposed upon the premises, and to any renewal, modification or extension thereof. It is the intention of the parties that this provision shall be self-operative and that no further instrument shall be required to effect the present or subsequent subordination of this lease. Government agrees, however, within twenty (20) business days next following the Contracting Officer's receipt of a written demand, to execute such instruments as Lessor may reasonably request to evidence further the subordination of this lease to any existing or future mortgage, deed of trust or other security interest pertaining to the premises, and to any water, sewer or access easement necessary or desirable to serve the premises or adjoining property owned in whole or in part by Lessor if such easement does not interfere with the full enjoyment of any right granted the Government under this lease.
- (b) No such subordination, to either existing or future mortgages, deeds of trust or other lien or security instrument shall operate to affect adversely any right of the Government under this lease so long as the Government is not in default under this lease. Lessor will include in any future mortgage, deed of trust or other security instrument to which this lease becomes subordinate, or in a separate non-disturbance agreement, a provision to the foregoing effect. Lessor warrants that the holders of all notes or other obligations secured by existing mortgages, deeds of trust or other security instruments have consented to the provisions of this clause, and agrees to provide true copies of all such consents to the Contracting Officer promptly upon demand.
- (c) In the event of any sale of the premises or any portion thereof by foreclosure of the lien of any such mortgage, deed of trust or other security instrument, or the giving of a deed in lieu of foreclosure, the Government will be deemed to have attorned to any purchaser, purchasers, transferee or transferees of the premises or any portion thereof and its or their successors and assigns, and any such purchasers and transferees will be deemed to have assumed all obligations of the Lessor under this lease, so as to establish direct privity of estate and contract between Government and such purchasers or transferees, with the same force, effect and relative priority in time and right as if the lease had initially been entered into between such purchasers or transferees and the Government; provided, further, that the Contracting Officer and such purchasers or transferees shall, with reasonable promptness following any such sale or deed delivery in lieu of foreclosure, execute all such revisions to this lease, or other writings, as shall be necessary to document the foregoing relationship.
- (d) None of the foregoing provisions may be deemed or construed to imply a waiver of the Government's rights as a sovereign.

5. 552.270-24 STATEMENT OF LEASE (SEP 1999)

- (a) The Contracting Officer will, within thirty (30) days next following the Contracting Officer's receipt of a joint written request from Lessor and a prospective lender or purchaser of the building, execute and deliver to Lessor a letter stating that the same is issued subject to the conditions stated in this clause and, if such is the case, that (1) the lease is in full force and effect; (2) the date to which the rent and other charges have been paid in advance, if any; and (3) whether any notice of default has been issued.

- (b) The Government will accept the space and the lease term will begin after determining that the space is substantially complete and contains the required ANSI/BOMA Office Area square footage as indicated in the paragraph of this solicitation entitled "Amount and Type of Space."

21. 552.270-9 INSPECTION—RIGHT OF ENTRY (SEP 1999)

- (a) At any time and from time to time after receipt of an offer (until the same has been duly withdrawn or rejected), after acceptance thereof and during the term, the agents, employees and contractors of the Government may, upon reasonable prior notice to Offeror or Lessor, enter upon the offered premises or the premises, and all other areas of the building access to which is necessary to accomplish the purposes of entry, to determine the potential or actual compliance by the Offeror or Lessor with the requirements of the solicitation or this lease, which purposes shall include, but not be limited to:
  - (1) inspecting, sampling and analyzing of suspected asbestos-containing materials and air monitoring for asbestos fibers;
  - (2) inspecting the heating, ventilation and air conditioning system, maintenance records, and mechanical rooms for the offered premises or the premises;
  - (3) inspecting for any leaks, spills, or other potentially hazardous conditions which may involve tenant exposure to hazardous or toxic substances; and

- (b) Nothing in this clause shall be construed to create a Government duty to inspect for toxic materials or to impose a higher standard of care on the Government than on other lessees. The purpose of this clause is to promote the ease with which the Government may inspect the building. Nothing in this clause shall act to relieve the Lessor of any duty to inspect or liability which might arise as a result of Lessor's failure to inspect for or correct a hazardous condition.

22. 52.204-7 CENTRAL CONTRACTOR REGISTRATION (OCT 2003) (VARIATION)

- (a) Definitions. As used in this clause—

"Central Contractor Registration (CCR) database" means the primary Government repository for Contractor information required for the conduct of business with the Government.

"Data Universal Numbering System (DUNS) number" means the 9-digit number assigned by Dun and Bradstreet, Inc. (D&B) to identify unique business entities.

"Data Universal Numbering System +4 (DUNS+4) number" means the DUNS number assigned by D&B plus a 4-character suffix that may be assigned by a business concern. This 4-character suffix may be assigned at the discretion of the business concern to establish additional CCR records for identifying alternative Electronic Funds Transfer (EFT) accounts for the same parent concern.

"Offeror" means the owner of the property offered, not an individual or agent representing the owner.

"Registered in the CCR database" means that—

- (1) The Contractor has entered all mandatory information, including the DUNS number or the DUNS+4 number, into the CCR database; and

- (b) (1) By submission of an offer, the Offeror acknowledges the requirement that a prospective awardee must be registered with D&B and in the CCR database prior to

The DUNS number will be used by the Contracting Officer to verify that the Offeror is registered in the CCR database.
- (c) If the Offeror does not have a DUNS number, it should contact Dun and Bradstreet directly to obtain one.
  - (1) An Offeror may obtain a DUNS number—
    - (i) If located within the United States, by calling Dun and Bradstreet at 1-866-705-5711 or via the Internet at <http://www.dnb.com>; or
    - (ii) If located outside the United States, by contacting the local Dun and Bradstreet office.

- (d) If the Offeror does not become registered in the CCR database in the time prescribed by the Contracting Officer, the Contracting Officer will proceed to award to the next otherwise successful registered Offeror.
- (e) Processing time, which normally takes 48 hours, should be taken into consideration when registering. Offerors who are not registered should consider applying for registration immediately upon receipt of this solicitation.
- (f) The Contractor is responsible for the accuracy and completeness of the data within the CCR database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the CCR database to ensure it is current, accurate and complete. Updating information in the CCR does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.
- (g)
  - (1)
    - (i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, the Contractor shall comply with the requirements of Subpart 42.12 of the Federal Acquisition Regulations (FAR) and provide the responsible Contracting Officer a fully revised and initialed/signed GSA Form 3518, entitled Representations and Certifications, along with written notification of its intention to (A) change the name in the CCR database; and (B) provide the Contracting Officer with sufficient documentation to verify and confirm the legally changed name or change in ownership.
    - (ii) If the Contractor fails to comply with the requirements of paragraph (g)(1)(i) of this clause, or fails to perform the agreement at paragraph (g)(1)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the CCR information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

- (2) The Government will inspect and determine the acceptability of the work performed or services delivered within 7 days after the receipt of a proper invoice or notification of completion of the work or services unless a different period is specified at the time the order is placed. If actual acceptance occurs later, for the purpose of determining the payment due date and calculation of interest, acceptance will be deemed to occur on the last day of the 7-day inspection period. If the work or service is rejected for failure to conform to the technical requirements of the contract, the 7 days will be counted beginning with receipt of a new invoice or notification. In either case, the Contractor is not entitled to any payment or interest unless actual acceptance by the Government

- (d) (1) A claim by the Contractor shall be made in writing and, unless otherwise stated in this contract, submitted within 6 years after accrual of the claim to the Contracting Officer for a written decision. If the Contractor refuses an offer for ADR, the Contractor shall inform the Contracting Officer, in writing, of the Contractor's specific reasons for rejecting the offer.
- (h) The Government shall pay interest on the amount found due and unpaid from (1) the date that the Contracting Officer receives the claim (certified, if required); or (2) the date that payment otherwise would be due, if that date is later, until the date of payment. With regard to claims having defective certifications, as defined in FAR 33.201, interest shall be paid from the date that the Contracting Officer initially receives the claim. Simple interest on claims shall be paid at the rate, fixed by the Secretary of the Treasury as provided in the Act, which is applicable to the period during which the Contracting Officer receives the claim and then at the rate applicable for each 6-month period as fixed by the Treasury Secretary during the pendency of the claim.

Where the Contractor's lists of potential small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business subcontractors are excessively long, reasonable effort shall be made to give all such small business concerns an opportunity to compete over a period of time.

HUBZone small business, small disadvantaged business, and women-owned small business concerns in all "make-or-buy" decisions.

- (f) A master plan on a plant or division-wide basis that contains all the elements required by paragraph (d) of this clause, except goals, may be incorporated by reference as a part of the subcontracting plan required of the Offeror by this clause; provided—

  - (2) The Offeror ensures that the master plan is updated as necessary and provides copies of the approved master plan, including evidence of its approval, to the Contracting Officer; and
  - (3) Goals and any deviations from the master plan deemed necessary by the Contracting Officer to satisfy the requirements of this contract are set forth in the individual subcontracting plan.
- (g) A commercial plan is the preferred type of subcontracting plan for contractors furnishing commercial items. The commercial plan shall relate to the Offeror's planned subcontracting generally, for both commercial and Government business, rather than solely to the Government contract. Commercial plans are also preferred for subcontractors that provide commercial items under a prime contract, whether or not the prime contractor is supplying a commercial item.
- (h) Prior compliance of the Offeror with other such subcontracting plans under previous contracts will be considered by the Contracting Officer in determining the responsibility of the Offeror for award of the contract.
- (i) The failure of the Contractor or subcontractor to comply in good faith with—
- (1) The clause of this contract entitled "Utilization Of Small Business Concerns"; or
  - (2) An approved plan required by this clause, shall be a material breach of the contract.
- (j) The Contractor shall submit the following reports:

  - (2) *Standard Form 295, Summary Subcontract Report*. This report encompasses all of the contracts with the awarding agency. It must be submitted semi-annually for contracts with the Department of Defense and annually for contracts with civilian agencies. If the reporting activity is covered by a commercial plan, the reporting activity must report annually all subcontract awards under that plan. All reports submitted at the close of each fiscal year (both individual and commercial plans) shall include a breakout, in the Contractor's format, of subcontract awards, in whole dollars, to small disadvantaged business concerns by North American Industry Classification System (NAICS) Industry Subsector. For a commercial plan, the Contractor may obtain from each of its subcontractors a predominant NAICS Industry Subsector and report all awards to that subcontractor under its predominant NAICS Industry Subsector.
